RE: Gus Berthold Electric Company  
Building Addition and Remodeling

Dear Jim:

I am very pleased with the work that you, Jim Hrones, and everyone at Bear Construction are doing for me. I recognize that you have been making an effort to avoid adding costs to this project, but I am also glad that you have suggested changes to improve the final product, when you thought they would be worthwhile.

You continue to validate the choice I made when I decided to use Bear Construction for our project. Keep up the good work!

Sincerely,

Rod Berthold
