Tim-

I thought I'd let you know that Bear did another outstanding job in completing a "not so simple" project quickly, cleanly and with great satisfaction from Maureen Mohr, showroom manager of Brunswick. I followed up with her on Wednesday to see if the work was done to her liking. She commented that she was very pleased with the quality, speed and professionalism of Bear and its sub-contractors.

On behalf of Maureen at Brunswick and the Construction Services at the Mart, thank you for a job well done and pleasing our tenants.

Thanks,
-Bob
