Dear George:

I am so pleased that Bear Construction is a Presenting Sponsor at the \$10,000 level for the 2004 Saint Joseph Hospital Celebrity Invitational.

As you know, with this level of sponsorship, Bear Construction will receive the following:

- Celebrity Invitational sponsor listings in all materials promoting the event and publicity before and after the outing
- Very prominent signage at the event
- Reserved dinner table for eight
- Special recognition along the "Platinum Path" donor display
- Engraved award in the Circle Sponsor Display and recognition in our program.

Bear's commitment to this event is very much appreciated. Your leadership will allow Saint Joseph Hospital to underwrite equipment needs within our surgical services area. This is a wide array of services that include cardiology, orthopedics, otolaryngology and plastic surgery...just to name a few. Through the enhancement of these surgical services, we continue our dedication of providing the best healthcare to our patients.

George, you have been an incredible asset to the Celebrity Invitational Committee. And, I understand you have agreed to co-chair the Saints Mary and Elizabeth Medical Center's Jack Leahy Invitational Golf Outing. Thank you for making that commitment; I know with your leadership the Leahy Invitational will be a huge success.

Thank you again for your support to the ministry of Saint Joseph Hospital and Resurrection Health Care.

Sincerely,

A handwritten signature in black ink that reads "Ron Struxness".
