Dear Friend,

On behalf of the Board, I would like to thank you for your generous support of the Rolling Meadows Neighborhood Resource Center Foundation's second annual Golf outing. The Foundation funds programs not customarily covered by City government. Your generosity will continue to allow the Police Neighborhood Resource Foundation the ability to provide critical services to needy individuals and families with limited resources. Those services include:

- ☆ Infant-Child Passenger Safety Seat Program
- ☆ Community Library, offering
 - Books, videos, CDs and magazines
 - Computer access
 - Homework programs for students of all ages
- ☆ Counseling services for victims of domestic violence and children who witness violence, individuals and families experiencing a crisis or other difficulty
- ☆ Summer Camp for children
- ☆ 'Tween and Teen groups providing youths a safe place to discuss difficult issues, enjoy social times with their peers and afford them an opportunity to give back to the community with service projects
- ☆ Emergency financial assistance

'Helping people get a start' is our motto. Your generous donation makes this a reality. Consider visiting the Center to see our work in action. Please contact our Center's Director, Victoria Bran (847.506.2060) or me at (847.255.2416 ext. 3062) to schedule a tour.

Your thoughtfulness is greatly appreciated by our clients, volunteers, partners and staff.

Sincerely,

Joe Catalano
