

ARCHITECTURAL INTERIORS

October 13, 2005

Dear Tom,

Thank you for all of your hard work in constructing our Breakfast Room for the Dream Home. We enjoyed working with you and all of your subs. Thank you for your patience and quick turn around during the process. The room turned out beautifully thanks to you and everyone who contributed to the project.

We look forward to working with you again.

Best Regards,

Martin Horner

Shea Soucie

Amy Dahm
