Build-Out

Solutia
Merchandise Mart
Chicago, Illinois

ARCHITECT:
Q Studios

OWNER:
Solutia, Inc.

PROJECT MANAGER
Scott Kurinsky

“Solutia has a deep, rich history in the fiber business dating back to 1901, launching the Ultron branded carpet in 1980.”©

Solutia needed a show room to reflect the company’s commitment to cutting-edge carpet and fiber technology. BEAR was chosen to implement the vision of Q Studios in creating a space that is both dramatic and functional.
